

**PN 2009**

**PN 2009(F)**

**Product Code:**

**Model:**

**KARAM PN 2009, PN 2009(F) VERTICAL TEMPORARY GUIDED TYPE FALL ARRESTOR ON FLEXIBLE ANCHORAGE LINE**

**Approvals :** EN 353-2:2002

- Works on 11mm dia Kernmantle Rope Anchorage Line, without any manual intervention.
- The Anchorage line is provided in lengths of 5mtrs to 100mtrs. Has one side loop and one stop knot at other side.
- Consists of Rope Grab made from high strength Aluminium , which is extremely light in weight & is corrosion resistant.
- PN 2009 has an openable Rope Grab Ref. RG 09. PN 2009(F) has a non-openable Rope Grab RG 09(F).
- Abrasion resistant thimble at termination to protect the loops from being damaged by metallic contact.
- The termination is cross-stitched, and is protected with a strong transparent covering sleeve which not only protects the end but also makes the stitches visible for easy inspection prior to use.
