

TELEDYNE iTrans-2 Fixed Gas Detector

TELEDYNE iTrans-2 Fixed Gas Detector

Product code: ASGDS1014

Model: iTrans-2

Standard: NRTL/c and CSA ATEX (pending)

Feature:

- Detection of explosive gases, toxic gases or oxygen
- Non-intrusive calibration
- Smart sensors
- HART communication protocol (NEW)
- MODBUS communication
- Programmable Relays
- Dual gas sensing
- Explosion proof
- Easy to use
- Ingress protection: NEMA 4X, IP66
- Weight: 2.9 kg
- Sensors combustible gases: catalytic, infrared
Toxic/oxygen: Electrochemical, Infrared
- Warranty: 2 years on electrochemical, 3 years on infrared sensors, 2 years on catalytic, 18 months on O2 sensor, 12 months on other sensor
