

QUARTER DOME MIRROR

Quarter Dome Mirror

Model: ABAXN-QDM

Sizes: 18" / 24" / 26" / 32" / 36"

Product Description:

The Ceiling Dome is probably the most effective surveillance method and deterrent to retail theft due to its large 360° area of reflection. In retail areas, when strategically placed, domes can be positioned above aisles and junctions for wide area surveillance and can even be used in some areas with ceiling hung banners.

This Full Dome mirror can assist surveillance of large areas in factories and warehouses where storage and high shelving obscure the vision of staff and forklift trucks at busy intersections.
