

## LANON 15-Inch Heat & Cold Resistant Liquid Silicone Gloves

**Product code:**

**Model:** LANON 15-Inch Heat & Cold Resistant Liquid Silicone Gloves

- **FOOD GRADE LIQUID SILICONE** - LANON is the first company to produce liquid silicone gloves. Our gloves are manufactured of temperature-resistant liquid silicone, an advanced material that possesses high tensile strength, stands up to daily use, and maintains its performance day after day.
- **18 GAUGE SEAMLESS CORALAIR LINER** - With an 18 gauge seamless CoralAir liner, these BBQ gloves are breathable, dexterous, and pliable, easy to pull on, and off, keeping hands cool and free from sweat. The 15 inches design brings extra protection to your hands, wrists, and forearms.
- **HEAT & COLD RESISTANT** - LANON silicone gloves are capable of withstanding temperatures ranging from -100°F to 400°F for an extended time and up to 570°F of no more than a few seconds. And the surface of it is waterproof. The gloves are odorless, stain-resistant, and impervious to grease, easy to clean, wash with mild dish detergent in hot water.
- **MULTIPURPOSE** - The heat-resistant gloves are latex-free and BPA-free, better solutions for people with sensitive skin. They are ideal for oven, barbecue, grilling, baking, cooking, kitchen, smoking, food prep, slicing and shredding meat, washing dishes, or organizing your walk-in cooler.
- **CERTIFICATIONS** - LANON oven mitts for hand protection are certificated by CE 2777, with Standards EN 388:2016, EN 420, EN ISO374-5:2016, EN ISO374-1:2016/Type B, EN407:2004, EN511:2006, and meet CA Prop.65 regulations for phthalates. It also passed the US FDA 21 CFR 175.300 and EU specified requirements test.
