

3M 6800 FULL FACE MASK

3M 6800 FULL FACE MASK

Product code: A3RSP1022

Model: 6800

Standard: International approvals: the respirator face piece should enjoy NIOSH and EN approval for negative pressure air purifying and positive pressure dual airline applications

Conformance to local approvals: the respirator face piece shall also confirm to the standard prescribed by IS: 8522: 1977

Feature:

- Large lens provides a wide field of view for excellent visibility
- Lightweight well-balanced design and silicone face seal for enhanced comfort, durability and ease of cleaning
- Available in air-purifying and supplied air respirator modes
- Center adapter directs exhaled breath downward
- 3M cool flow™ valve makes breathing easier to provide cool, dry comfort
- This full face piece reusable respirator offers lightweight comfort and ease of use. Combine with appropriate 3M™ particulate filters or cartridges to help provide respiratory protection against particulates and a variety of gases and vapors.
