

OIL PILLOW - WHITE

PILLOWS IN OIL

Model :16WPILL2338

Pillows are ideal for absorbing spills or leaks that are too big for a pad or would require the pad to be replaced with much greater frequency. The pillow's fast-wicking large surface area helps reduce absorption times whilst its flexibility makes it easy to insert into difficult to reach spaces. There are 16 pillows each measuring 23 cm wide by 38 cm long, supplied in a branded cardboard box.

Key features:

- ❖ Fast-wicking surface area and high absorption capacity shortens clean-up time.
- ❖ Large surface area and absorbent contents soak up larger spills.
- ❖ Highly flexible pillow fits in tight spaces.

Application:

An excellent product for placing around machinery or in workshop areas to prevent leaks or spills from spreading.

Fire retardant as per ASTM 726.

Avoid high-heat applications. *

Ensure that disposal of these sorbents complies with all regulations
